

OSBI official says Ward confessed

CR84-094

SHAWNEE — Thomas Jessie Ward confessed to killing an Ada convenience store clerk in a videotaped interview with investigators, Oklahoma State Bureau of Investigation Deputy Director Rusty Featherstone said today.

Featherstone told jurors in Ward's retrial here that investigators interviewed Ward in October of 1984 — about five months after Donna Denise Haraway, 24, Ada, was robbed and abducted from McAnally's convenience store in Ada.

Ward initially told investigators he did some plumbing work at his mother's home and later attended a party at Janet Blood's apartment on April 28, 1984. But later in the interview, he said, Ward admitted taking Haraway from the convenience store that night.

According to Featherstone, Ward said he, Karl Allen Fontenot and Odell Tittsworth drove to McAnally's convenience store on April 28, 1984, with the intention of robbing the clerk. Once they arrived at the store, he said, they decided to kidnap the clerk to prevent her from identifying them.

Featherstone said Ward told him they forced Haraway from the store, put her into their pickup truck and drove to an area in west Ada near a power plant. He said Haraway was put in the back of the truck, where all three beat and sexually assaulted her.

He said Ward claimed that he and Fontenot held the woman while Tittsworth sexually assaulted her and that Tittsworth stabbed the woman several times with a hunting knife during the attack. Featherstone said Ward told investigators he tried to sexually assault Haraway, but could not complete the act because he was under the influence of drugs and alcohol.

The deputy director said Ward detailed how Haraway ran from the truck and tried to escape, but was captured and returned to the truck. Ward said he

walked to his home nearby while Tittsworth and Fontenot continued to assault the woman.

He said he later returned to the site when he feared for her safety. When he returned about 20 minutes later, Ward said, Fontenot was sexually assaulting Haraway.

Ward told investigators Tittsworth was standing beside the truck laughing, telling Fontenot that he was "raping a corpse" to which Fontenot responded that "he liked her better that way."

According to Featherstone, Ward said he could tell Haraway was dead because her skin was white and her ribs were exposed. Ward denied knowledge of how Haraway's attackers disposed of her, but he said Fontenot told him a couple of days later that they dumped her body into Sandy Creek.

"I probably wouldn't have done it if I wasn't drunk ... I thought it was a dream," Ward said in the interview.

Tittsworth was arrested and charged with the crime in October of 1984, but was later released after investigators determined he was not involved. Authorities said Tittsworth was injured in an altercation with Ada police officers two days before Haraway disappeared and his arm was in a full cast as a result.

During his interview with the OSBI, Ward said Haraway was wearing a white blouse trimmed with lace around the collar and sleeves and covered with tiny blue flowers. The victim's sister, Janet Weldon, testified earlier this week that Haraway was wearing a similar blouse the night she disappeared.

Featherstone said Ward's account of the kidnapping was consistent with statements of witnesses who saw Haraway leave the store with a man and get into a gray primed pickup the night she disappeared.

Featherstone said Ward originally told investigators the events he had described had occurred in a dream. But he said Ward later stated he "only (See. "Ward." page 2)

DOUGLAS LEE BAILES, WM, DOB: 02/06/54, SSN: 560-92-7802, 6095 State Highway 3W, Ada, Oklahoma, 580/759-2340, Cellular Telephone: 580/272-7114, provided the following information:

ROSE BAILES was DOUGLAS BAILES' Grandmother. JEAN YARBROW was DOUGLAS' Aunt. DOUGLAS was married to BRENDA BUTLER from 1978 through 1980. They re-married in 1985 and had a son, BEN BAILES.

In 2009, DOUGLAS was a Machinist for Mill's Machines in Shawnee, Oklahoma. He had worked for them as a Machinist since 2006. Prior to working for Mill's, DOUGLAS worked for Camion Industries for a year and one-half and was on unemployment. In 1984, DOUGLAS worked as a Welder at Ada Iron and Metal.

In April 1983, DOUGLAS was in the Pontotoc County Jail for Unpaid Fines. After serving four months, he was released in April 1983 and moved into a house near Galley, Oklahoma, with his Grandmother, ROSE and Aunt YARBROW.

In late April or early May, DOUGLAS got a job at Ada Iron and Metal. PHe bought a car and was making payments to a Co-worker DAVE (LNUK).

On May 6, 1983, BAILES left Church and dropped off ROSE at her home near Galey. He went to Asher to buy gasoline. On the County Road west of the Galey Church, on the north side of State Highway 3W, DOUGLAS saw a red 1950's Chevrolet pickup truck with small windows. The truck was parked.

DOUGLAS saw two men in the truck. The driver had blonde hair and the passenger had brown hair. The passenger had a pistol pointed out the truck passenger side door window. DOUGLAS saw a white female sitting on the floor in between the driver and the passenger of the pickup. Her face was visible in the front window of the truck.

SECOND INTERVIEW OF DOUGLAS LEE BAILES

PAGE 2

A person in the truck waved DOUGLAS past then pulled in behind him. DOUGLAS went to the Gas Station. At the Gas Station he saw a newspaper on the counter, which was a picture of DENISE HARAWAY. She had been reported missing in Ada. When DOUGLAS saw the picture, he felt it was the woman he had just seen near Galey with the two men in the truck. DOUGLAS told the Store Clerk he had just seen HARAWAY. The Clerk asked if he called for the Police and DOUGLAS said he did not.

DOUGLAS drove back to his Grandmother's house in Galey. As he was approaching Galey, DOUGLAS saw the same red truck going south on the same County Road as he saw the truck the last time. This time the man with brown hair was driving and the blonde haired man was in the passenger seat. The woman was still in between them. DOUGLAS tried to catch the truck and it speed off. DOUGLAS called the Pontotoc County Jail to report what he had seen. He talked to a woman Jailer. No Deputy ever responded to the area.

He told his friend DAVE about the incident at work the next Monday. That Tuesday, a Deputy came into the Ada Iron and Metal and asked for DOUGLAS. DOUGLAS told the Deputy to speak to DENNIS SMITH. That Friday the Deputy came into DOUGLAS' work and said that he had missed talking to SMITH, but he would talk to him soon.

Many years later, DOUGLAS read the book, "Dreams of Ada". He knew after reading the book that he had seen HARAWAY. He did not know anything about PATRICIA HAMILTON until he read the book. Then he recalled a party from April 9, 1983.

DOUGLAS went to a party with his younger cousin, DEAN GILLIUM. DOUGLAS went over to the ranch that GILLIUM lived on. There was the red Chevy truck that DOUGLAS later saw in May 1983. DOUGLAS asked GILLIUM whose truck it was. GILLIUM said that the truck belonged to a friend of his named "BOB". Inside the house there were four people at the party that DOUGLAS did not know, but had seen before.

DOUGLAS went into the house and sat on a stool in the kitchen. DOUGLAS asked BOB if he wanted a beer. BOB said no, because he was under age. GILLIUM'S wife, BEATRICE "BUTCH" GILLIUM was in the kitchen also. BOB showed the two a silver handgun with black grips. After he left the room, BUTCH said that BOB'S father was GARY ALLEN.

CR 84-094.105

SECOND INTERVIEW OF DOUGLAS LEE BAILES

PAGE 3

DOUGLAS was talking with BUTCH in the kitchen when a pretty, young, blonde woman came into the room. DOUGLAS said hello, but the woman did not answer. He asked who the woman was and she answered "PATTI". BUTCH cut her off and said that the woman's name was PATRICIA and that she was a future sis-in-law. That made PATRICIA mad and she walked away.

Around midnight they all said a toast. DOUGLAS had been drinking and felt a "buzz". About half an hour later, BOB came over and told another man it was "time". The other man, whom DOUGLAS also thought was named "BOB" said, "Let's get this over with."

As the men were leaving out of the back door, DOUGLAS was leaving out of the front door with a friend that was giving him a ride to another house to get something. DOUGLAS sat on the fender of the 1-ton truck. He heard one of the men say, "It will go a lot quicker if you don't hold your breath". He heard PATRICIA say, "No". Then DOUGLAS heard a splash at a small pond next to the roadway on the ranch. DOUGLAS never saw PATRICIA again.

DOUGLAS looked at the book "The Innocent Man". He saw a picture of HARAWAY in it. He also saw pictures of TOMMY WARD and CARL FONTONOT. They were not the men he saw with the woman he believed was HARAWAY.

DOUGLAS asked GILLIAM if he knew anyone from around 1984 that drove a red 1950's pickup. GILLIAM said that BOB HIGHTOWER was the only person he knew who drove a pickup like that back then. DOUGLAS believed that the other BOB was BOBBY ALLEN.

Case: CR #84-094	Reporting Date: MAY 11, 1984	Reporting Agent(s): SAM SPARKS	Reviewed By:
Offense: KIDNAPPING	Case Agent: GARY ROGERS	Office: MRO	Typed By: Date: kc 05-15-84
Subject: (S) UNKNOWN SUBJECT(S) (V) DONNA DENICE HARAWAY	Activity: LOCATING AND INTERVIEWING REBECCA LYNN SCOTT		

On May 8, 1984, Agent SAM SPARKS, Poteau, Oklahoma, received a request for assistance from Detective BARRETT, Police Department, Ada, Oklahoma, and Agent GARY ROGERS, Oklahoma State Bureau of Investigation, Ada, Oklahoma, to attempt to locate and interview REBECCA LYNN SCOTT regarding a purse belonging to her that had been found in a stolen vehicle being operated by FLOYD L. DEGRW, who had been arrested in Shamrock, Texas, and charged with Abduction and Rape of a Female in Amarillo, Texas, just before his arrest. At the time DEGRW was arrested, he was driving a stolen automobile from Detroit, Michigan, and SCOTT'S purse was in the vehicle, along with some identification papers from other females that were missing or had been assaulted.

On May 9, 1984, REBECCA LYNN SCOTT, White Female, Date of Birth: October 1, 1962, 604 Rogers Street, Poteau, Oklahoma, Telephone: 647-4790, was interviewed at her residence by Agent SAM SPARKS in the presence of her husband, HAMILTON SCOTT. REBECCA SCOTT related that she was originally from the Poteau, Oklahoma, area as well as her husband HAMILTON and during 1983 they lived in Oklahoma City, Oklahoma, at 2701 Southwest Thirty-Fifth Street and she worked at a Seven-Eleven Store Number Eighty-Three on South Walker Street, Oklahoma City, Oklahoma.

During the last part of January 1984 or the early part of February 1984, she and her husband were preparing to move from Oklahoma City back to Poteau, Oklahoma, and they set up and had a garage sale prior to moving. During the garage sale, they only had one negro family, consisting of a husband and wife and three children, and a young sixteen or seventeen year old white male, that came into their house and would of had an opportunity to steal REBECCA'S purse. The negro family was only there for a few minutes looking around then left, the young white male was there almost everyday for several days and after she found her purse missing, he did not show up again. She describes the white male as about sixteen or seventeen year old,

about five feet, eleven inches in height, 110 to 115 pounds. He had a round baby face fair complexion, light long blonde hair that was dirty looking and had indicated that he lived with his father and had a grandfather either living with them or lived nearby.

On the second day of the sale, he came by riding a bicycle and her husband bought the bicycle from the boy and the next day he came back on another bicycle and wanted to sell it. Her husband would not buy the second bicycle because he thought there was something wrong. The boy also said he had some tools he would sell her husband, but her husband would not buy anything further from him. The boy was not in school and on the second day when he came around, he had been beaten up and had black and blue marks on his face and a patch on his forehead where he said his grandfather had beaten him up. He told her he had to go to the Presbyterian Hospital on North Lincoln Street and get stitches put in the gash on his forehead, which she stated was a gash about two inches long running up and down almost in the center of his forehead.

She boy had a black, small, short haired dog that followed him around all the time and he stated that he could not part with the dog. She cannot remember his name, but related that his first name was a common name that many people use. She could not recall every hearing a last name and related that besides coming by their residence, he hung out at a store located at South Agnew and Thirty-Fourth Street, which she could not remember the name of the store.

The boy told her at sometime while he was around that he had lived in her neighborhood but had moved to the west side of town and was planning on moving out of Oklahoma City and she believes he may have been going to some place in Texas.

SCOTT could give no information and has no idea how her purse could wind up in the DEERAW'S vehicle in Shamrock, Texas, unless the young boy that she talked to took it and it later came into possession of DEERAW.

After her purse was stolen, she had all the credit cards cancelled and her checking account closed out and the bank notified the following day about the theft of the purse. There was no cash money in the purse and nothing else of value than checks and credit cards. Since that time, nothing has come back to her indicating that anyone had used the credit cards or the checkbook.

Special Agent SALMON found the vehicle parked at the residence on the Southeast corner of West Beach and Fifth Street in Lexington. Captain RAYN DOWER, Purcell Police Dept. recognized one of the occupants as a deaf/mute from Purcell named JAMES (GURNEY). Subject: JERRY McOWEN	Activity: 1. INFORMATION RECEIVED FROM WALLY McOWEN		

On May 16, 1984, JERRY McOWEN, white female, 211 Skylark Court, Norman, Oklahoma, telephone number: 364-4247, provided the following information telephonically:

McOWEN was, at approximately 1130 hours this date, having coffee alone at a Howard Johnson's Restaurant on W. Main Street in Norman, Oklahoma. A white female entered the restaurant alone and went into the restroom for several minutes and left. She got into what McOWEN thought was an off-white Toyota van or Camaro and left in an unknown direction. The tag was Oklahoma 42K-87. The white female was twenty to twenty-five years of age, according to McOWEN, and wearing a blue top and white tight "short shorts". Her hair was dark, almost deep brown, and curly, past her shoulders. She was 5'3" to 5'5" and 110 - 115 lbs. McOWEN felt certain she was the same person whose picture she observed recently in local newspapers as having been missing from an Ada convenience store. Prior to telephoning the OSBI, McOWEN telephoned her observations to the Norman Police Dept. and said the officer told her to call the OSBI.

AGENT'S NOTE:

A check of that tag came back as being a 1982 Pontiac Firebird registered to MELISSA ANN FROST, white female, DOB: 7-2-63, SSN: 446-72-0916, of 4809 N. Miller, Oklahoma City, Oklahoma, 5'6", 120 lbs., and brown eyes.

Subject: (S) UNKNOWN (V) DOUGL DENISE HANAWAY	Activity: INTERVIEWING RE: T 601-335		

On May 15, 1984, Special Agent SALMON interviewed P. D. CLIFTON, 319 S. 2nd, Purcell, Oklahoma, at his office, Clifton Insurance Agency, 111 W. Main, Purcell, Oklahoma, regarding a 1977 Chevrolet pickup, VIN #CCL2475119768, that CLIFTON registered in 1982. CLIFTON related he purchased the vehicle from CLAUDE DOSTER, Lexington, Oklahoma, on May 13, 1982. When CLIFTON bought the vehicle, it had a wench on it, but CLIFTON removed it before it was sold. CLIFTON drove the pickup to Oklahoma City and "blow up" the motor. Afterwards, he replaced the motor and BILL TUCKER, CLIFTON's former salesman, sold the vehicle for seven hundred and fifty dollars (\$1,750.00), possibly to a man from Texas. CLIFTON's records show only the vehicle was sold for cash. CLIFTON described the vehicle as in very good condition when he sold it. CLIFTON remembered the vehicle was white and rayon.

On May 15, 1984, Special Agent SALMON interviewed CLAUDE "BUCK" TUCKER, 231 Gross Street, Purcell, Oklahoma, at his residence. At first, TUCKER stated he had never sold any vehicles for CLIFTON. When confronted with CLIFTON's information, TUCKER recalled selling the vehicle and admitted being a salesman for CLIFTON. TUCKER could not recall who he sold the truck to but might remember after discussing it with CLIFTON. TUCKER recalled selling the truck without a motor and described the truck as in very "rough" condition.

On May 21, 1984, Special Agent SALMON contacted JOHN STRIKE, Oklahoma Tax Commission. STRIKE will run a title history on VIN #CCL2475119768. Special Agent SALMON also requested BIC Clerk DOUG PERDOR to send a teletype requesting a title history in the state of California. No replies have been received at this time. Also attached to this report is a copy of the most recent registration check on that vehicle.

NOTE: The information from the Oklahoma Tax Commission was received on May 21, 1984 and will be attached to this report.
